Whether you work inside or outside the home we have many opportunities for you to contribute your time, talents or resources. Your child will thank you for enhancing their experiences at Rolling Hills.

If you would be interested in volunteering, what are your interests or talents you'd like to share (ex: graphic design, decorating, set-up/tear-down, marketing, public relations, photo copying)?

Thank you for joining the PTA!

Rolling Hills Elementary Puma Fun

The PUMA FUND: Our Tax Deductible Non-Fundraiser Fundraiser

Fundraising is the manna of life for the PTA. Without fundraising, the PTA could not support some valuable activities that are not included in the Rolling Hills school budget. These activities include assemblies, chorus, Reading Olympics, family events, book fairs, transportation for field trips, mini-grants for teachers and the yearbook to name just a few. In the 2009-2010 school year, we raised over \$25,000 to carry out these programs on behalf of our students and staff.

If we receive a \$50 contribution to the PUMA FUND for every child enrolled at Rolling Hills, we could eliminate at least one fundraiser for the 2010-2011 school year. Depending on how well we do in achieving this goal, we will keep other fundraising to the minimum required to meet our goals and support our school. (You are certainly welcome to make a larger donation!)

Please fill out the PUMA FUND section of the multi-purpose form on the other side of this page and return it with a check (made out to Rolling Hills PTA) for the appropriate tax-deductible amount. We greatly appreciate your generosity!
