HOW DOES OUR GARDEN GROW?

The garden is now open! Thank you to all the volunteers who made this possible. Don't forget to order a brick for the walkway (see page 3 for the form)!

Come check out the garden if you haven't already. The garden could always use some helpers to keep it happy and healthy, so please contact the school office if you're interested.

Room 21 Third Graders Help Japan

By Maria G. and Madison B.

In the beginning of March, Japan had an awful earthquake and a dreadful tsunami which

destroyed buildings, killed many people and put a lot of people in danger.

Room 21 third graders really wanted to help. Madison B. and Maria G. set up a lemonade stand to help Japan at the Rolling Hills Park on Sunday, May 1st. They raised over \$100 to donate to the Red Cross for Japan.

Also, their classmates have been trying to make 1,000 origami cranes. In Japan they believe that when you make 1,000 paper cranes, you can get one wish. They're going to donate the cranes to Japan so they can have one wish to keep them in good health and that everything gets fixed.

Ms. Watson's class believes we can save the world one step at a time.

THANK YOU

To all who came for the PTA sponsored "Donuts with Dad". It was a HUGE success and we raised almost \$1,200!! Thank you so much for your patience during check-out, we truly appreciate it! It was so wonderful to see so many of you come out to support your child, the school and the PTA!
